Courriel : parententraineur@qc.aira.com

COMMENT UTILISER LE PROGRAMME

Identifier 5 éléments de comportement à améliorer et les inscrire sur la feuille dans la colonne de gauche. Lorsque le comportement demandé est acquis, en inscrire un autre. Plus le parent est précis, plus le changement est possible.

Les évaluer avec votre enfant tous les jours.

L'encourager à dessiner lui-même une figure selon son autoévaluation et la vôtre

Objectif atteint

Amélioration en cours

Comportement non acceptable

Pas de récompense ni de punition : c'est l'amélioration de la communication et du comportement qui apporte plus de bonheur!
